## Go FAR

**AIM:** To inspire all who participate to find ways of making their work fun whilst developing a positive attitude to their job, colleagues and wider role within the organisation. Inspired by the hugely successful video and book series examining the team vision of the (world famous) Pike Place Fish Market in Seattle, this programme can be adapted to suit different locations, group sizes and requirements.

**FORMAT:** Fresh Tracks offer a selection of Go FAR programmes that can vary from a diagnostic seminar based on the Go FAR philosophy, to a full day of team tasks and facilitated discussions focusing on the main themes of Go FAR:

**FUN, ATTITUDE, RELATIONSHIPS**

**ACTIVITIES:** Sessions start with an ice-breaker to get the group working together, then a short video examining the Go FAR approach is followed by physical and mental team tasks, each addressing one or more of the main Go FAR themes. We conclude with an inspiring team challenge such as group juggling to finish the programme on a high note.

**DRESS:** Casual clothing.

**LOCATIONS:** Client offices, conference centres and hotels all over the country.

**COSTINGS:** £2500 for up to 12 participants, £100 per additional participant
