

## Paint Your Perfect Picture

- AIM:** To work as a team to create a new, or re-interpret an existing, work of art.
- FORMAT:** Working in small teams, the group is given access to all the tools and equipment they need to create a masterpiece. Each team will work on a separate part of the piece, requiring communication, co-operation and exchange of ideas and information throughout the session. We start with an exercise focusing on communication and creativity before an introduction to the range of materials and media available. Teams have to use artistic and creative skills to produce their part of the artwork, as well as communicating and negotiating with the other teams to put the finished product together. At the end of the session the finished product will be displayed.
- ACTIVITIES:** Painting, sculpture, modeling, mosaic work; working with a variety of paint, printing and creative media or found objects; putting together the completed sections to form a final masterpiece.
- TIMINGS:** Normally half a day but can be combined with other challenges to make a full day programme.
- LOCATION:** Selected venues throughout the UK and overseas
- DRESS:** Casual wear (aprons will be provided)
- COSTINGS:** Approx £1750 for up to 12 participants
